"Achieve your Riding Ambitions"

Intelligent Horsemanship Demo with Garry Bosworth

"Learn how to understand and communicate your horse better"

Garry Bosworth is an Intelligent Horsemanship Recommended Associate who has been recommended to Wittering Academy by Kelly Marks. Horses can't communicate with us verbally, so non verbal communication through their behaviour is the only way they can tell us that something is wrong. During the demonstration Garry show you how to understand your horse better, work with horses to improve their manners and how to get a non loader to load into a trailer.
