

Wittering Academy have a reward system for event helpers which can be used to pay for mentoring sessions. For every day you will receive 2 credit (part days 1 credit) when you help at any event run by the Academy.

5 credits will give you a free mentoring session. This used to be recorded on a Blue card, if you have one pop that in the post or in the box in the office or email me on H.Mcintosh@ntlworld.com and I'll update the spreadsheet.
