

## Wittering Academy Riding Club

*Achieve your equestrian dreams – one hoof at a time*

### **Trec weekend on March 9<sup>th</sup> and 10<sup>th</sup> – additional information**

#### **Please read – this is important**

We hope to go ahead with the training and competition in March as long as the situation concerning equine flu does not worsen. Only horses with up to date vaccination certificates may take part and non Grange Farm liveryes **must** email a copy of the certificate to me ([kmbarker54@gmail.com](mailto:kmbarker54@gmail.com)) before the close of entries. If you have already done this for dressage or mentoring, you will not need to do it again – we are making a list of checked horses. No horse will be allowed to take part without this prior check. If you have carried over your entry from February and wish to withdraw, you will be given a full refund as long as you let us know before close of entries (Wednesday 6<sup>th</sup> March). We will not be taking any more entries for the training day but there are a number of limited spaces on the Sunday for the competition. Please enter as normal and get your vaccination certificate to me asap.

Grange Farm has asked that anyone keeping their horse in the Ailsworth/Caster area should not attend due to a strangles outbreak. Anyone in that situation who has already entered will get a full refund. Please let me know.

If you are attending, please follow sensible precautions. Keep your horse and yourself away from others not on your yard, take your horse back to your trailer as soon as you have competed and definitely don't come if your horse shows any signs of being unwell. Local veterinary practices are recommending a flu booster if your horse has not been vaccinated in the last six months.

Keep an eye on our Facebook page and we will let all participants know if there are any changes. Let's hope we can all get back to normal soon.

Karen
