TREC TRAINING SESSION

Saturday 7th March 2020

To be held at
Grange Farm Equestrian Centre, Wittering Grange,
Wansford, Peterborough, PE8 6NR
by kind permission of Robin and Di Dunlop

TREC training provides an opportunity to practise a range of obstacles from the PTV phase of a TREC competition in an enclosed area. As well as those interested in TREC, the training is also useful for riders with novice or spooky horses and great fun if you want to have a go at something a bit different. Riders will be organised into groups of similar ability and can tackle obstacles in-hand as well as mounted. Do as much or as little as you want – there is no pressure to tackle any obstacle you are not happy about. For potential ‘treccies’, I will explain how to achieve the maximum points for each obstacle and give you tips on how to improve your performance or overcome problems. Suitable for all ages and abilities. The length of time for your session will depend on the number in the group – 45 minutes for 2 riders, 60 minutes for 3 riders and 75 minutes for 4 riders. It may be possible to offer a 30 minute private session if space.

Places will be limited and entries will only be accepted with full payment by Wednesday 4th March. Clinics fill very quickly and entries are likely to be closed early. Priority will be given to Wittering Academy RC members. All participating horses must have an up to date annual flu vaccination certificate. Any queries, please text Karen Barker on 07931 594014 or email: kmbarker54@gmail.com. Times will be emailed to participants and will be available on the website (www.witteringacademy.com) on the Friday evening before the event. You will be notified if the event is cancelled due to bad weather and a full refund will be given.
