

Achieve your equestrian dreams – one hoof at a time

Members Volunteer Credit Scheme Policy:

1. Six months into our new membership year, any member who has not assisted in a club run event (excluding qualifiers) and wishes to represent the club at a qualifier will be required to pay their own pre-entry fees. Club events are run to assist the financial burden of the club including paying & sending riders to qualifiers, offering discounted training and clinics and ensuring a wide range of equipment to suit.
2. When assisting at an event, ensure that you log your volunteer hours (this maybe by way of a log sheet). The onerous is now on YOU as the INDIVIDUAL to ensure that your volunteer hours are logged. If for any reason a log sheet is NOT available, then message (Facebook PM/WhatsApp/text) the event organiser with your hours.
3. The credits that are currently logged against your name from previous years will be carried forward into the 2024 membership year.
4. If your membership has lapsed for more than 6 months – all credits will be removed. If your lapsed membership is due to personal ill health or horse ill health, then you can apply to the committee for a dispensation decision allowing you to carry your credits into your next membership year.
5. To utilise credits better – you can form a family group under one name who is a current member of the club.
6. When helping at events, if you have family/friends who are not members of the club also helping, you will be credited with their volunteer hours.
7. Credits can be used for part payment of mentoring , clinics and club clothing.

This policy was presented and adopted at the AGM on the 5th July 2024.
